A global digital suite for your event

the virtual platform dedicated  
to virtual and hybrid events

conflr virtual is a dedicated platform for the virtual and hybrid events.

as an organizer, a team of events professionals will be assigned to your project. You will have access to information, such as participants connected, number of people who watched any presentations, questions asked, and much more.

as a participant browse easily through the program, interact with sponsors/exhibitors, start a discussion in the virtual c@fé. If you missed one of the amazing live presentations, watch the replay anytime.

as a **presenter** you will interact with participants during live sessions, use the Q&A module to follow up after the presentation, continue the conversation in the virtual c@fé, and receive feedback with the survey.

as a **sponsor**, you have a unique opportunity to showcase your company and/or products through a fully customizable platform and chat with participants.
